Comment or Question:

Good Evening:

Floridians for immigration enforcement (FLIMEN) is a group of concerned Floridians advocating for immigration enforcement. The group will also strive to eliminate illegal Immigration incentives and will challenge the myths and pandering by elected officials in the newspapers.

When immigration is viewed only radically and culturally, limits and legality will never be imposed. The debate must focus on limitations and lawfulness, otherwise open borders will make the United States a Marketplace and not a Country.

We would like to endorse your campaign; however, we will only endorse those candidates that believe in and fully support our principles regarding

- Immigration Enforcement
- Establishing Mandatory E-Verify for all businesses and employees in the State of Florida, and
- Eliminating all Sanctuary Cities

Please review and respond to the attached FLIMEN, 2018 Midterm Republican Candidate Survey and return it to us on or before September 17, 2018.

Our Board of Directors will then review your responses at our meeting on September 18, 2018. At that time, we will determine if we can endorse your candidacy, and share our endorsement with the 2,200+ recipients of the FLIMEN Voter Guide.

Thank you for your cooperation in this matter.

Sincerely,

Kenneth C. Morrow Jr.
Member, FLIMEN, Board of Directors
